Dalhousie University

UROGYNAECOLOGIST Department of Obstetrics and Gynaecology Dalhousie University

Applications are invited for the position of Urogynaecologist in the Department of Obstetrics and Gynaecology, Dalhousie University. This is a newly created position, ideal for a candidate completing their fellowship in urogynaecology with experience in pelvic floor surgery.

The position is located in the IWK Grace Health Centre in Halifax, Nova Scotia. The position falls under the Division of General Gynaecology, which provides tertiary care service to the Women in the Province of Nova Scotia.

This is a clinical appointment with periodic review, reporting to the Department Head. Academic rank will be dependent upon qualifications. The successful candidate will be expected to participate in the University teaching program, conduct independent research, assume some administrative responsibilities, and of course provide clinical care. From a clinical perspective the position reports to the Head of Gynaecology. Rank and salary will be determined according to experience.

Dalhousie University is an employment equity/affirmative action employer. The University encourages applications from qualified women, Aboriginal Peoples, racially visible minorities, and persons with a disability.

In accordance with Canadian immigration requirements, this advertisement is directed to Canadian citizens and permanent residents.

Applications with a curriculum vitae should be submitted by no later than April 30, 1998. Please forward applications to:

**Dr. David Young
Professor and Head
Department of Obstetrics and Gynaecology
5980 University Avenue, Halifax, Nova Scotia B3H 4N1**
