

PERINATOLOGIST

St. John Hospital and Medical Center is a 600 bed tertiary center on Detroit's east side with an immediate need for a fourth perinatologist. St. John offers a competitive salary and benefits, and has independent residency programs in obstetrics and gynecology, general surgery, internal medicine, pediatrics, pathology, emergency medicine, and family practice, with fellowships in some internal medicine subspecialties.

There are 3600 deliveries per year with an active maternal transport program. Responsibilities include teaching, private patients, and research. Excellent housing, public school system, and lake parks are within walking distance.

We will be happy to assist in travel arrangements for interested candidates to come and visit our division. If you are interested in this opportunity, please call or send CV to:

Minu Kashef, MD, Chairman
Department of Obstetrics and Gynecology
Tel: (313) 343-7798
Fax: (313) 343-4932.

CRANBROOK REGIONAL HOSPITAL

OBSTETRICIAN/GYNAECOLOGIST

The Cranbrook Regional Hospital, a fully accredited facility of 73 acute care, 50 extended care, and 60 intermediate care beds requires a second obstetrician/gynaecologist. The current medical staff of 22 general practitioners and 22 specialists offers a variety of regional services including anaesthesiology, orthopaedics, general surgery, otolaryngology, radiology, pathology, internal medicine, ophthalmology, urology, psychiatry, pediatrics and obstetrics/gynaecology. We offer diagnostic services such as Laboratory and Diagnostic Imaging (including CAT scanner).

Cranbrook is a community of 20,000 situated in the southeast corner of British Columbia at the foot of the beautiful Rocky Mountains. The city offers quality leisure facilities, a regional college, an active arts community, and year round recreational facilities.

The University of Manitoba
 Department of Gynaecology and
 Reproductive Sciences

REPRODUCTIVE ENDOCRINOLOGY POSITION

The Department of Obstetrics, Gynecology and Reproductive Sciences at the University of Manitoba has an immediate opening for a contingent geographic full-time position in the Section of Reproductive Endocrinology.

Tertiary Level services are provided to a large patient population. Section resources include: well established referral patterns, a full sperm bank, a Ph.D. andrologist and lab facilities with technicians and equipment.

Candidates must have senior specialty qualifications in OB/GYN in country of current practise, plus additional training in Reproductive Endocrinology. Certification by the Royal College of Physicians and Surgeons of Canada is preferred and you must be eligible for certification by the College of Physicians and Surgeons of Manitoba. Salary and academic rank commensurate with qualifications and experience.

The University of Manitoba encourages applications from qualified women and men, including members of visible minorities, Aboriginal peoples and persons with disabilities. In accordance with Canadian immigrations requirements, this advertisement is directed to Canadian citizens and permanent residents.

Please send curriculum vitae to : **Dr. Garry V. Krepert, Professor and Chair, Department of Obstetrics, Gynecology & Reproductive Sciences, Women's Hospital, 735 Notre Dame Avenue, Winnipeg, Manitoba, R3E 0L8.**

OBSTETRICIAN/GYNAECOLOGIST REQUIRED

MILTON DISTRICT HOSPITAL is searching for a second OB/GYN consultant. This 89-bed hospital is located in Milton, Ontario, a community of 33,000 with a large catchment area. The combined OB/GYN floor has 13 active beds, 3 labour beds and a birthing room.

The medical staff consists of four G.P. Anesthetists, two full-time General Surgeons, one full-time OB/GYN, one Internist, one Radiologist and nineteen General Practitioners (half of whom still deliver). Laparoscopic, endoscopic and culposcopic equipment are available.

Milton is located in southern Ontario, about 45 minutes from either Toronto or Hamilton at the base of the Niagara escarpment and affords better than average leisure services with easy access to golf, skiing and hiking.

If interested, please contact:
Dr. F. Charbonneau, Chairman,
Manpower Committee
Milton District Hospital
30 Derry Rd. East,
Milton, Ontario L9T 2X5
