

Spread the
word
not the
disease

Did you know?

- Most people consider health professionals as their first choice for getting useful information on sexual health, contraception, pregnancy and STIs.

Did you know?

- These two websites offer teens, adults, parents, teachers and health professionals with the latest credible information and resources about contraception, STIs and safer sex.

Did you know?

- A suite of print, audio-visual and online resources are available on both websites. These include:
 - Brochures and posters
 - Videos and games
 - Education tools

They come to you. You can come to us.
